Dear Ms. Mario,

On behalf of the Hamden Youth Services Bureau and Hamden Police Department, I would like to extend my gratitude to you for your participation in Hamden's National Night Out event on August 4, 2009. The resource table manned by Greg was a wonderful and practical addition to our event and "safety" theme. I know the youth and families that received the bicycle helmets were quite grateful. The event was a great success as evidenced by community feedback and an all time high attendance (approximately 1,000 participants!).

We hope that Carter Mario Injury Lawyers benefited from its involvement in National Night Out. If you wish to further share your own experience, questions you may have or suggestions for next year's event, please feel free to contact me.

Again, many thanks for your generous contribution. Carter Mario Injury Lawyers' donations were greatly appreciated both by our committee and the community. We look forward to working with you on future collaborations.

Sincerely,

Susan Rubino  
Youth Services Coordinator
